## Centennial Hall

Centennial Hall is a 538 bed residence facility owned and operated by Centennial Hall for the exclusive use of students attending the SUNY College of Environmental Science and Forestry (SUNY-ESF).

### Housing Contract 2015-16

#### 1. Introduction

These are the terms and conditions for occupying student housing at Centennial Hall. They are an inseparable part of the application for student housing. When the application is accepted by Centennial Hall, these terms and conditions shall be enforceable against Centennial Hall and against the student and other financially responsible person signing the Housing Contract.

(a) **Housing Requirement.** All entering freshmen at SUNY-ESF are required to reside on campus in Centennial Hall for their first year of enrollment. The Office of Undergraduate Admissions may waive this requirement for students whose permanent home address is determined to be within commuting distance. Transfer students are not required to reside in College housing but are encouraged to apply for housing, and housing will be assigned to transfer students at Centennial Hall's discretion if it is determined that space is available. Students will be financially responsible for the cost of Centennial Hall attributable to the mandatory periods even if they fail to occupy Centennial Hall as required by SUNY-ESF policy. Similarly, students who elect to live in Centennial Hall for a given academic year by completing the Housing Contract process will be financially responsible for the cost of Centennial Hall for that academic year if they fail to occupy the housing. Students not required to live in Centennial Hall may do so if they desire, with the consent of Centennial Hall, provided space is available. Students who elect or are required to live in Centennial Hall are obligated to the terms of this Housing Contract for the period set forth in item 4.

(b) **Other Requirements.** All undergraduate students living in Centennial Hall, with the exception of students housed in student apartment units, are required to contract for a meal plan. All students occupying Centennial Hall are required to adhere to the Code of Student Conduct published on the SUNY-ESF website. All students and guests shall comply with this Housing Contract. Except as provided herein, a violation of any provision of this Housing Contract shall be considered a substantial violation of the Housing Contract and shall constitute sufficient grounds for removal or relocation to another housing unit.

#### 2. Definitions

The following terms shall have the meanings set forth when used in this Housing Contract:

- (a) "Centennial Hall" shall mean Centennial Hall at SUNY-ESF
- (b) "The student" shall mean the student at SUNY-ESF occupying the student housing unit upon the terms and conditions of this Housing Contract. It shall also include, when the context requires, any other person signing the Housing Contract for housing as being financially responsible for paying housing charges.
- (c) "Student housing" shall mean student housing at Centennial Hall

#### 3. Eligibility for Student Housing

Centennial Hall reserves the right in its sole discretion to determine who shall be eligible for student housing. The following are minimum requirements, but Centennial Hall may establish other requirements from time to time:

- (a) No person shall be admitted to student housing unless that person is an undergraduate or graduate student at SUNY-ESF who meets the requirements set forth in paragraphs 3 (b) and/or 3 (c) of this Housing Contract, whichever applies.
- (b) Undergraduate students must be registered for at least 12 credits per semester.
- (c) Graduate students must meet the criteria established by SUNY-ESF for academic full-time status.

#### 4. Duration of Occupancy

Regardless of class standing, or how many semesters the student has resided in Centennial Hall, Housing Contracts are for the full academic year, both fall and spring semesters. Room charges are billed in equal installments for each semester or other term of occupancy. The term of occupancy and financial obligation is relative to the contract signed. The housing unit shall be available for occupancy and shall be vacated as determined by the terms of the contract signed based on the specific unit occupying. Occupancy of provisional housing for additional periods accommodating longer academic years shall be at additional rates. Should the student not obtain a key and occupy the housing unit assigned by the first day of classes of each semester, or provide notice of late arrival, Centennial Hall management staff may terminate this Housing Contract by written notice and assign the housing unit to another student.

## 5. Housing Rates

Housing rates are established each year by Centennial Hall and are uniform based upon the type of housing and the term of occupancy. Rates shall be determined by Centennial Hall prior to the beginning of the rental term and available for students on the Centennial Hall website.

## 6. Payment of Housing Charges

Housing charges must be paid to the SUNY-ESF bursar's office upon receipt of the bill.

## 7. Utilities

Centennial Hall shall furnish at no additional cost all heat, air conditioning, cable, internet, electricity, and water reasonably required for the housing unit occupied by the student. Such utilities shall be furnished in accordance with the existing design of the housing unit occupied by the student and shall be subject to load limits and availability. Centennial Hall may charge the student for any extraordinary or unreasonable use of utilities. Centennial Hall shall not be liable for any interruption of utility service unless such interruption is caused by its gross negligence.

## 8. Use of Premises

- (a) **Residence Purposes Only.** The student shall use the housing unit only as a residence for himself or herself. The living space may not be used for business purposes.
- (b) **Maintenance and Repairs.** Centennial Hall shall be responsible for all maintenance and repair of the housing unit and its furniture and equipment. The student shall not attempt to perform such maintenance or repairs, but shall notify the management office of the need for maintenance or repairs.
- (c) **Right of Entry.** So long as we are in compliance with local laws, we have the right, as do our contractors, to enter the Apartment and your Bedroom at all reasonable times, with reasonable advance notice to you, to inspect, remodel, repair, maintain and protect the Apartment and your Bedroom as we see fit, in our sole discretion, and to show the Apartment or your Bedroom to prospective residents, purchasers or representatives of insurance or lending institutions. We have the right to enter your Apartment and Bedroom at any time without notice in the event of an emergency. **You may not change any locks.** You agree that your request for maintenance or repairs constitutes reasonable notice and permission to enter.
- (d) **Furniture.** Furniture supplied by Centennial Hall shall be maintained in its proper location. The student may rearrange the furniture within the housing unit but may not disassemble it, exchange it with other students, or move it to other locations. Furnishings shall not block windows, doors, or air conditioning and heating units. Furniture shall not be placed on top of other furniture unless designed to do so. Furniture shall only be used for its intended purposes. No furniture shall be taken from lounges or other common areas and placed in a student's private area of residence or moved to any other location. Centennial Hall furnishings are not to be used outside the housing unit.
- (e) **Air Conditioning, Refrigerators, and Other Appliances.** No air conditioning or other heating or cooling equipment or apparatus shall be added to or utilized in the housing unit. Space heaters, halogen lamps, and multi-headed lamps are prohibited and subject to immediate confiscation. The student shall be responsible for paying all costs and making necessary arrangements for the items to be removed from the premises. Single-use extension cords are not permitted. The exclusive use of power strip surge protectors equipped with a breaker switch is strongly encouraged.
- (f) **Keys.** Residence hall room and apartment keys are issued by the management staff to the assigned student upon checking into the residence facility. Issued keys are for the express use by the assigned student and may not be given or loaned to another individual. In the event that a student loses or misplaces a key, that student shall be responsible for the reasonable and actual cost of both parts and labor associated with replacement. Replacement keys shall be obtained only from the management office with proof of identity. The student may be charged a reasonable fee when the staff is required to unlock a door for a student who has lost or misplaced a key or is otherwise locked out of his or her room.
- (g) **Storage of Personal Belongings.** No personal belongings are to be stored in the parking lots or premises surrounding Centennial Hall or in any of the common areas. All personal belongings are to be stored in the student's housing unit or such other place as may be designated by Centennial Hall from time to time. No flammable substances, including motorcycles and motors, shall be stored or used on the premises. Storage of personal belongings in student housing other than during the occupancy term is not permitted.

- (i) **Guests.** Centennial Hall will permit registered guests to stay overnight in student housing for periods not exceeding three consecutive days, subject to consent by all authorized roommates. If Centennial Hall terminates its permission for

any reason, guests must vacate immediately. The student resident is responsible for the conduct of guests and may be held financially and/or judicially responsible for guests who remain in **Centennial Hall** for more than three consecutive days and/or for any damage or misconduct caused by guests.

1. **Smoking. THIS IS A NO SMOKING COMMUNITY:** Neither you, nor your guests, nor any other person entering the Community shall be allowed to smoke anywhere in the Community, including your Bedroom, Apartment, the Common Areas or within 100 feet of any building entrance in the Community. This includes smoking involving any kind of device and any kind of substance. Smoking is only allowed in the designated smoking areas in the exterior portions of the Community or greater than 100 feet from any building entrance in the Community. Violation of this ban on smoking is a violation of the terms of your Lease and entitles us to all remedies for a violation of your Lease. In addition, you are responsible for any damage caused by smoking to the same extent as you are responsible for other damage to the leased premises as described in the Lease. Damage includes but is not limited to: deodorizing carpet or upholstered objects, wax removal, additional paint preparation, replacement of window coverings, repair or replacement of carpet or upholstered furniture, countertops, or any other surface damaged due to odor, burn marks and/or smoke damage. Failure to dispose of cigarette butts properly in designated smoking areas may also result in a lease violation fine.

Therefore, **Centennial Hall** may impose, and the student shall abide by, other and further rules and regulations for the conduct of students occupying student housing at **Centennial Hall**. For students leaving student housing who are not also withdrawing from SUNY-ESF entirely, refunds of housing charges shall be made at the discretion of Centennial Hall only if the departure from the housing unit is with Centennial Hall's consent; in all other cases, no refund of charges will be made.

(b) Students leaving student housing who are not also withdrawing from the College will not be paid any refund of the housing charge, unless and until, the housing unit is occupied by a student not occupying Centennial Hall at the time of the departure of the first occupant of the unit (in which event a refund pro-rated to the date of occupancy by the new occupant may be made by Centennial Hall in its sole, unfettered discretion). Students who are academically suspended are not entitled to a refund of housing charges. Notwithstanding any of the preceding, Centennial Hall may, in its sole, unfettered discretion, permit students to withdraw from housing at any time. Freshmen who withdraw from the College may receive a refund of Spring semester housing charges at the discretion of Centennial Hall.

**23. Restriction on Transfer and Subletting**

This Housing Contract and the right of occupancy granted by it do not create or constitute an interest or right in real property. The student may not assign or sublet his or her right of occupancy created by this Housing Contract.

**24. Waivers**
